Appnimi PDF Locker Crack With Serial Key

Appnimi PDF Locker is a simple utility that helps you secure your PDF files by setting up passwords. Protects your files from unauthorized access by anyone who might come across them. It prevents anyone from opening, copying, or printing documents without your permission. You can also add passwords, so only people with the correct passwords can view or print the protected files. Appnimi PDF Locker is a simple tool that helps you secure your PDF files by setting up passwords. You are welcomed by a clean feature lineup that allows you to switch between two modes: single file or batch processing. The last option proves to be particularly useful, as it helps you add multiple PDF files and process them at the same time. There is no support for drag-and-drop operations, so you can only rely on the built-in browse function. You are required to specify the folder that contains the PDFs that you want to password-protect them simultaneously. Since it doesn't require much computer knowledge to work with this small tool, even less experienced users can master the entire process in no time. During our testing we have noticed that Appnimi PDF Locker carries out an operation very quickly. As it would be expected from such a small utility, it remains light on system resources, so it doesn't hamper computer performance, nor interfere with other programs' functionality. Bottom line To sum things up, Appnimi PDF Locker offers a simple software solution when it comes to helping you secure your PDF files by setting up passwords. Appnimi PDF Locker Full Version Registered License Key is an application which helps you protect your files from unauthorized access by anyone who might come across them. It helps prevent anyone from opening, copying, or printing a document without your permission. You can also add passwords, so only people with the correct passwords can view or print the protected files. Appnimi PDF Locker is a simple utility that helps you secure your PDF files by setting up passwords. or later. You can get Perceptual XLSX to work without installation for as long 2edc1e01e8

Create PDF, Word, Excel, and PowerPoint files that cannot be read or modified. Why does that not make the files "invisible" to readers and anyone else with that particular PDF password? 2013-11-21 0 Review(s) File Name Size Download Appnimi PDF Locker 1.01 Select file Download Appnimi PDF Locker 1.01 (3.15 MB) Uploading... Appnimi PDF Locker Appnimi PDF Locker is a Windows application that features encrypting capabilities for helping you secure your PDF files with passwords, so they cannot be accessed by unauthorized users. Simple looks You are welcomed by a clean feature lineup that allows you to switch between two modes: single file or batch processing. The last option proves to be particularly useful, as it helps you add multiple PDF files and process them at the same time. There is no support for drag-and-drop operations, so you can only rely on the built-in browse function. Main features Appnimi PDF Locker gives you the possibility to add the PDF file that you want to secure and enter the owner and user passwords. On the downside, you cannot hide the characters from your passwords behind asterisks, so make sure no one can see your passwords while you are typing them. For the batch processing mode, you are required to specify the folder that contains the PDFs that you want to password-protect them simultaneously. Since it doesn't require much computer knowledge to work with this small tool, even less experienced users can master the entire process in no time. During our testing we have noticed that Appnimi PDF Locker carries out an operation very quickly. As it would be expected from such a small utility, it remains light on system resources, so it doesn't hamper computer performance, nor interfere with other programs' functionality. Bottom line To sum things up, Appnimi PDF Locker offers a simple software solution when it comes to helping you secure your PDF files by setting up passwords. 2016-10-01 2 Review(s) File Name Size Download Appnimi PDF Locker 1.01 Select file Download Appnimi PDF Locker 1.01 (3.15 MB) Uploading...
